Student Waiver

I _____ understand that yoga includes physical movements as well as the opportunity for relaxation, stress reduction and relief of muscular tension. As is the case with any physical activity, the risk of injury, even serious or disabling, is always present and cannot be entirely eliminated. If I experience any pain or discomfort, I will listen to my body, adjust the posture and ask for support from the teacher. I will not continue in an unsafe manner.

Yoga is not a substitute for medical attention, examination, diagnosis or treatment. Yoga is not recommended, and is not safe, under certain medical conditions. I affirm that I alone am responsible to decide whether to practice yoga and that I will seek medical attention if necessary. I hereby agree to irrevocably release and waive any claims that I have now or hereafter against instructors or Board Members of the Ananda Wellness Institute of Yogic Wisdom & Ayurveda.
